

INSTRUCTOR

Martin J. (Dev) Strischek
Senior Vice President and Senior Credit Policy Officer, Credit Risk Management
SunTrust Banks, Inc., Atlanta, Georgia

As senior credit policy officer, Strischek is responsible for developing, implementing, and administering credit policies for SunTrust's commercial, commercial real estate, corporate investment banking, business banking, consumer, mortgage, and credit card lines of business. He also spent three years as credit administrator and managing director of risk management in SunTrust's Florida commercial lending and corporate investment banking areas, respectively. Prior to SunTrust, he was chief credit officer for Barnett Bank's Palm Beach market.

Strischek has written many articles on financial and credit analysis for RMA's *Journal* as well as other professional journals in the risk management and financial fields. He is the author of *Analyzing Construction Contractors*.

Strischek is a past national RMA president, past president of RMA's Florida chapter, former national RMA board member and former national chair of RMA's credit division council. A graduate of Ohio State University and the Stonier Graduate School of Banking, he earned his M.B.A. from the University of Hawaii.
